

St. Johns County School District
 2018-2019
 Title I, Part A
 Annual Title I Meeting

Title I

- Title I is a federal program designed to offer **supplemental services and supplies** to schools with a high rate of poverty.
- The goal of Title I is to give **EVERY** child a high-quality education.
- This year, CES provides every child breakfast and lunch at no cost to their families
- Title I can help:
 - Children be more successful in school
 - Parents to have a voice in their child's education
 - Teachers to collaborate with parents to assist their child's education

The Basics of Title I

- The Title I program starts with:
 - The Federal Government
 - They provide funds to the states each year for Title I after the state sends a plan in detailing
 - What children know and should be able to do
 - High- quality standards that children are expected to meet
 - Ways that student progress will be measured

The Basics of Title I

- The Florida Department of Education (FLDOE) receives the money from the Federal Government.
 - The Florida Department of Education will then send the money to the districts based on the number of families that receive free and reduced lunches
 - Once the Local School District receives the money from the State
 - The Local School District then identifies eligible schools and distributes the funds

The Basics of Title I

- When the funds have been received by the Title I schools the parents, administrators, teachers and staff devise a plan to:
 - Identify students who need the most help
 - Measure student progress using the state standards
 - Develop programs that help to supplement classroom instruction
