

Big Brothers Big Sisters
of St. Johns County

904.829.9986 www.bbbsstjohns.org

Big Brothers Big Sisters is available
at **Crookshank Elementary School!**

At BBBS we help children realize their potential and build their futures by matching them with a one to-one adult mentor.

Our mentors provide additional support and guidance to children who are experiencing challenges either socially, emotionally and/or academically.

If you know a child between the **ages** of **6-12** who might benefit from our program, please speak with either your child's teacher or the guidance counselor who can begin the referral process.
