**ONLY RETURN IF YOU DO NOT WISH YOUR CHILD TO BE SCREENED.**

August 28, 2019

Dear Parents,

In compliance with Florida Statute 381.0056 (7), regarding school health services, we are notifying you that students in the St. Johns County School System will be offered free screening for vision, hearing, and height/weight measurement for growth and development.

If your child is tested and the results are not in the "normal" range for the particular test,

you will be notified by letter. **Your child will be screened unless you notify the school, in writing by signing below, no later than Wednesday, September 11, 2019 that you do not want your child to participate.**

Nurses from the St. Johns County School District, in conjunction with school personnel and trained volunteers, will conduct the screenings. Screening is defined by Florida Statutes as "presumptive identification of unknown or unrecognized disease or defects by the application of a test that can be given with ease and rapidity to apparently healthy persons."

We are pleased to be able to offer programs that support the health and well being of our students. Please contact Roxane Smith, RN, BSN/School Health Nurse at 904/547-7832 if you have questions or concerns.

Sincerely,

Roxane Smith, RN, BSN  
School Health Nurse
