AFTERSCHOOL

ROBOTICS

Wednesdays 2:00-3:30p

RoboThink is a step-by-step international learning program. Our exciting STEM programs develop core skills that students apply to school subjects and future careers, while fostering a love for science and robotics. With RoboThink's exclusive robotics kit and our STEAM curriculum that is NGSS (Next Generation Science Standards) aligned, students have a blast learning about robotics, engineering, technology and other STEM subjects. Curriculum is new for returning students. Ages 5-12

ROBOTHINK IS THE

WORLD'S #1 STEM

EDUCATION PROVIDER

RoboThink's E-STEAM programs incorporate entrepreneurship, business leadership, presentation and marketing skills for children. You'll find these critical 21st century life skills built into the core of many of our exciting programs.

RoboThink Programs

Afterschool

Every week, students build models, study coding concepts and complete fun engineering projects.

Workshops

These 1 day classes cover robotics, coding and engineering concepts with fun, hands-on building projects.

Camps

RoboThink Robotics Camps typically last 1-5 days and are offered in half day or full day sessions. Students are given the opportunity to build robots, solve challenges with robots they have built, work on STEAM activities, and even battle their friends!

Special Events

Make your special events that much more exciting with a RoboThink experience. We bring the fun!

- Birthday Parties
- Private Parties
- Community Events

Customized programming available to fit your schedule & needs!
