

Birthday Book Club

The Crookshank Elementary School Media Center's Birthday Book Club is a wonderful way to commemorate your child's birthday. Your participation not only enriches the library collection but allows you and your child to be personally involved in its growth.

If you would like to take part in the Birthday Book Club, a donation of one new hardback book is requested. Ideally, this book should be a book that your child really enjoys and one that we have in the media center already. You can choose a new book at a store or a book from the book fair. A quick check in our online catalog (Destiny) will tell you if we already have the book. In lieu of a book, you may make a monetary donation of \$15 and your child can choose from recently acquired books that are waiting to be processed.

The following is included with your club participation:

- A special book plate placed inside the front cover of the donated book with your child's name and birthday.
- A photo will be taken of your child with the book they choose and will be displayed in the media center. This photo will be sent home with your child at the end of the year to keep and enjoy.
- An opportunity to share the book on the WCES Morning New close to your child's birthday.

This is a very special honor and a gift that keeps on giving to all who use the Crookshank Elementary Media Center. If you would like to donate a book for your child's birthday, please complete the form below and send it to the media center with the book or the monetary donation *at least 2 weeks* prior to your child's birthday. Monetary donations should be made out to Crookshank Elementary. If you have any questions, please feel free to contact Mrs. Monica Boyd at monica.boyd@stjohns.k12.fl.us.

Thank you so much for your support!
