Mission

The professional learning community at John A. Crookshank Elementary School is dedicated to collaboration in developing purposeful instructional delivery models. We work together to create intentional learning opportunities that develop the whole child and provide our students with the foundational skills and growth mindset to be both academically and socially emotionally successful. We celebrate individual accomplishments, value diversity, respect exceptionalities, and partner with our families to meet the unique needs of each student.

Vision

To develop life long learners, nurturing collaborative critical thinkers.
