The Florida Department of Agriculture and Consumers Services and USDA have approved meal service during the time of unanticipated school closures. This program focuses on areas of eligibility based on economic need. For meal service locations, please refer to the website, www.summerbreakspot.org.

- Meals will be provided through a walk-up and drive-thru service in the parent drop off loop at the participating locations.
- The meals will be provided to children 18 years or younger. Children must be present to receive meals.
- Children may receive meals at the nearest participating site, even if it is not where they attend school. This eliminates the need for families to drive to multiple schools.
- Each day, lunch for that day and breakfast for the next day will be provided at the same time.
- All school sites will operate from 11 a.m. to 1 p.m., March 23 – 27.
- All community sites will operate 11 a.m. to Noon, March 23-27.

The following sites will be participating under this program:

The Evelyn Hamblen Center	Sebastian Middle
