Dear Crookshank Cougar Families,

We had a great first week of school, where our classrooms were filled with students learning and making connections with their teachers and their classmates. We have a dedicated and caring faculty and staff that is providing high quality instruction to our students, whether through brick & mortar or through distance learning. If you would like to change from one instructional model to the other, please see the last page of this newsletter. I'm looking forward to an amazing school year with you and your child that will be both challenging and rewarding.

Your Partner in Education,

Marquez Jackson, Principal-Learning Leader
