Marquez Jackson, Principal
Angela Rodgers, Assistant Principal
Yvette Cubero-Gonzalez, Assistant Principal

Dear Crookshank Cougar Families,

We hope you and your families are doing well. We have completed the first quarter and are proud of the progress our students are making this year. Through various diagnostic testing, including daily and weekly formative assessments, our teachers are carefully monitoring the academic and social-emotional growth of our students. We look forward to your child's growth this year.

Congratulations to Assistant Principal Mrs. Angela Rodgers who was recently named the new principal at Southwoods Elementary School! She has done an amazing job at our school and will be missed. We are extremely proud of her and wish her all the best in her new assignment. I am working with the superintendent's office to name our new assistant principal.

On behalf of the faculty, staff, and administration at John A. Crookshank Elementary School we say with respect, honor, and gratitude "Thank You" and appreciate our veterans for their service to our country.

Your Partner in Education,

Marquez Jackson, Principal-Learning Leader

John A. Crookshank Elementary to all Veterans

THANK YOU!

Dear Veterans, you are our heroes! Imagine Crookshank's 740 students and staff cheering and waving flags and cheering some more! Normally, that's what we would be doing – to show our local veterans how much we appreciate them. But due to CDC regulations, we will not be able to have our Veterans Day Ceremony this year. However, we do appreciate our active military and those veterans who may have served in WWII, Vietnam, Desert Storm, Afghanistan, and Iraq!

Many veterans are dads, moms, uncles, aunts, grandpas, and friends of our students!

John A. Crookshank Elementary is glad to honor our veterans and to give our students the opportunity to value and appreciate our country, our flag, and our veterans. Many thanks to all our veterans!

While on school property and in a vehicle, you **MUST** put your cell phone down. We ask this for the safety of our students and our staff members.

BIRTHDAY BOOK CLUB!

The Crookshank Media Center is excited to announce the Birthday Book Club! This is a wonderful way to commemorate your child's birthday. Your participation not only enriches the library collection but allows you and your child to be personally involved in its growth.

With the book fair just around the corner, this may be the perfect time for your child to select their book.

School Advisory Council

Thank you to the parents who have signed up to serve on our SAC (School Advisory Council) team this year. We are, however, in need of more parents to join. Being part of the SAC team is a great way to get involved with our school and to help make school wide decisions. Please contact [Mr. Marquez Jackson](#) (Principal) or [Ms. Alexandria Robinson](#) (SAC Chair) if you are interested in becoming a member.

What is a School Advisory Council (SAC)?

A SAC is a diverse group of stakeholders of a school, established through Florida Law, with shared goal of increasing student achievement in a safe learning environment. A SAC is comprised of the Principal, teachers, education support staff, parents, business partners and community members. The majority of the members must be non-school employees and members must be representative of the community.

What is the role of SAC?

The SAC assists in the preparation and evaluation of the School Improvement Plan (SIP) and acts as a resource to the school principal. The term advisory is intended to mean inquiring, informing, suggesting, recommending, and evaluating.

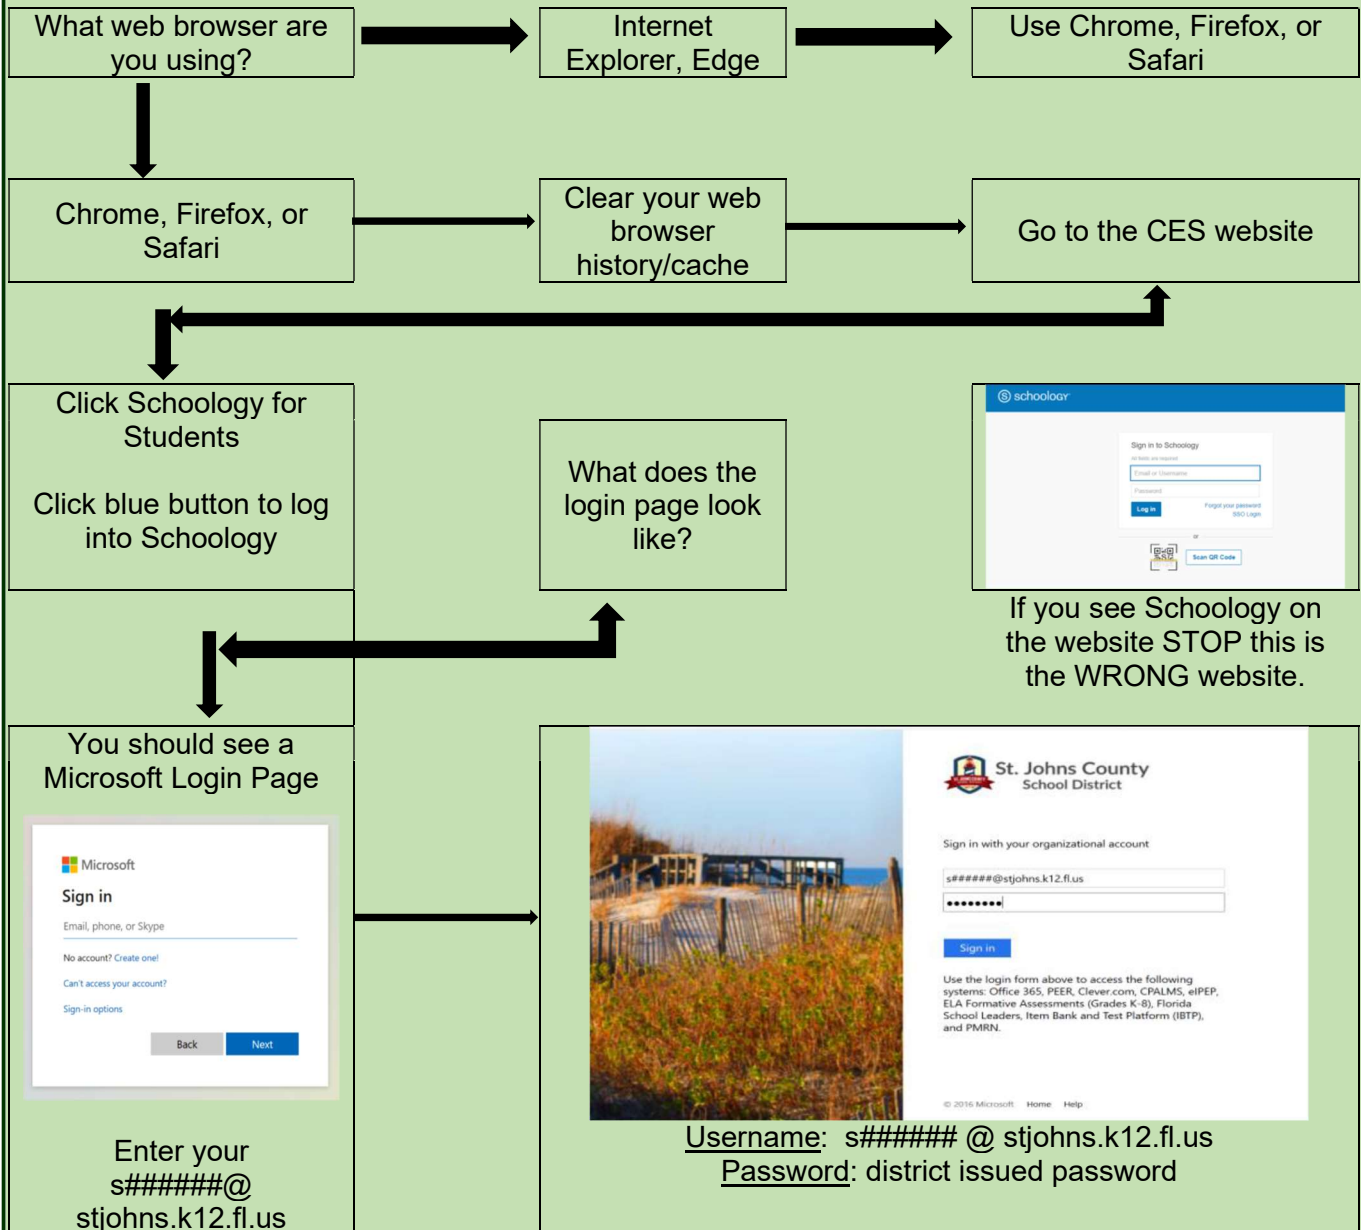

What is the School Improvement Plan?

"The whole point of school improvement is data-driven decision making. The process is SUPPOSED to be fairly simple and straight forward: The SAC reviews relevant data (which is much more than test scores), identifies problem areas, develops improvement strategies, monitors their implementation, and then starts the whole process over when the next round of data is available."

Distance Learner Technology Issues

If your child is a distance learner and experiences technology issues during the day, please inform your child's teacher via email and/or Class Dojo. Incoming calls during instructional times will not be directed to the classroom. Incoming calls will be directed to the teacher's voicemail. While your student waits for support have them read a book, complete a reading and/or math iREADY lesson, explore the CES Student Links page, or complete outstanding classwork.

Additional ways to support your distance learner with technology issues:

- Complete a request for help at <https://www.stjohns.k12.fl.us/contact/schoology/> .
- Contact the front desk at Crookshank and they will direct you to our IT Keishia McLendon.

Distance Learning Expectations – Quarter 2

Our teachers are teaching students in a classroom while also simultaneously delivering instruction to students at home. We are committed to keeping all children on pace and focused on the same high standards, the way in which learning occurs will vary from the classroom to the distance learning setting.

We ask that parents use the same methods of communication that you used prior to the pandemic. Teachers cannot respond to parent communication during the school day while teaching. Please communicate with our teachers in one of the following ways: Class Dojo, email, voicemail. Teachers will respond during non-instructional times.

We also ask that students follow the provided distance learning schedule; this will vary based on class and students' needs. Teachers will ask students to log on at certain times for whole group live sessions. During non-live sessions, students will be asked to complete independent work, assignments, and assessments. It is the expectation that students be on time to their sessions, a teacher cannot stop instruction to catch a student up. Teachers will offer specific times to remediate instruction for distance learners if needed. It is the expectation that students log on to their intervention groups.

Attendance is being recorded daily; your student will be marked absent if they do not log on. In addition, students that log on for attendance only then log off will be marked absent beginning next week.

If your student is not able to regularly attend Schoology sessions, engage with their teacher, and/or complete assignments, in the best interest of your child please reconsider this learning model. Currently, we are encouraging families to remain in the selected learning model until the end of the second quarter.

DISMISSAL

Students needing to go home prior to dismissal will be escorted to their guardian's vehicle. *ONLY guardians are able to check students out prior to the end of the school day.* NO EARLY DISMISSAL AFTER 2PM. Please follow these steps:

- Park in one of three designated parking spots in the second row. Spots will be marked with a sign.
- Please call (904)547-7840 in order to reach the receptionist in the front office.
- Tell the reception area the first and last name of the student(s).
- Have a photo ID ready to show the staff member that will approach your vehicle.
- Your child will be delivered to your car after ID check. **STAY IN YOUR VEHICLE THROUGHOUT THIS PROCESS.**

Please give yourself enough time for this process. It may take a few minutes for your child to be dismissed.

If you are changing the way your child normally goes home, please contact the school in one of three ways: **via the Dismissal Change link on our school's homepage**, a note in the planner, or a written note from home.

Dismissal changes **will not** be accepted over the phone OR after 2:00PM/1:00PM on Weds. unless there is an emergency.
