Apr.	12th	6:30 p.m.	Media Center and Zoom
May	12th	6:30 p.m.	Meeting and Election

Our PTO is on Facebook and Instagram

Tap on the icon above and it will take you right to our Facebook or Instagram page. From there you can "Like" or "Follow" us and get to see everything we have planned for our Crookshank Cougars!

Our Website Has Been Updated

<http://crookshankpto.org/index.html>
Come and check it out!

Visit our Online Store!

<https://my.cheddarup.com/c/crookshank-pt>
We're currently selling CES Stickers (large for \$3 and small for \$1) and Water Bottles (for \$10), in addition to our fantastic car magnets. But get yours soon...these will sell out fast!

Coming Soon!

Spirit Night at Moe's on February 1st.

ANASTASIA 16
CHURCH

Become a Business Partner and your logo can go here. You can see the different levels of support on our website.

Literacy Night at CES

Tuesday January 25, 5-6 PM

Meet local author Mary Beth Perrone from 5:00 -5:30 followed by a kid-friendly craft and drawings for free book giveaways for adults and kids! Mary Beth Perrone's inaugural children's book, *I Have Superpowers* teaches kids to tap into breathing techniques to battle stress and anxiety. *I Have Superpowers* follows Zander, a young boy who has challenges controlling his emotions. During his seventh-birthday celebration, Zander has an outburst. His mom gives him a very powerful present, teaching him how to use deep breathing to calm down. Once Zander puts the breathing technique into practice, he realizes that he does indeed have a superpower.

Mrs. Perrone will show students and adults how to use these techniques during her presentation.

Take a pre-ordered Papa John's Pizza home and help support our 5th Grade End-of-the-Year Class Trip

****Please return to your child's teacher with payment by Friday, January 21st.****

Child's Name _____ Teacher _____

Large Cheese Pizza (\$10) (Pre-order only) How many? _____

Large Pepperoni Pizza (\$10) (Pre-order only) How many? _____

You must PREPAY for this event (checks made out to CES)

Pizzas will be distributed at 5:30, after author presentation by the cafeteria

Our American Heart Association Kids Heart Challenge event will begin on January 31st!

Your student will learn about heart, brain and vascular health, and meet kids with special hearts!

Here's how you can help:

Register: <http://www2.heart.org/goto/crookshankelementary>

Take the challenge: Be Active or Be Kind

Share with friends and family through social media, text and/or email

You can help our class win the classroom challenge!

Our goal is to have 100% of our students register online and take the challenge.

Please see a Manager for additional rules and submittal form.

AB-FLGA-2021-11-23

SCHOLASTIC

BOOK FAIR!

COMING SOON!

Dear Parents and Families:

We're excited to invite you to our upcoming Scholastic Book Fair. Hosted by our staff, this event is an opportunity for students of all ages to build their home libraries and further their love of reading. As always, all purchases benefit our school.

After missing out on many beloved traditions, our fall Book Fair will be a familiar, welcome, and safe event for our students. Here's what you need to know about the Fair, which will take place from Feb 14-18 with Family Night Feb. 14th 4pm-7:00pm at Crookshank Media Center.

- Our Book Fair offers a cash-free payment option called eWallet. It's a convenient digital account that your child can use for shopping at our Fair. Grandparents, friends, and others can contribute, too!
- If you can't make it to the Fair, then shop online at our school's Virtual Book Fair. All orders ship directly to your home, and shipping is free for book orders over \$25. Your online orders will also benefit our school.

Visit our Book Fair homepage to learn more and get started with eWallet and online shopping:

<https://www.scholastic.com/bf/crookshankelementaryschool>

We're excited to celebrate our love of books together at the Book Fair. We look forward to seeing your child there!

Happy reading,

Bethany Mitidieri
Principal
Crookshank Elementary School

Shopping Hours: 8:00am-2:00pm

Ways a Parent Can Help with **READING**

1

Let your child see you reading!

Have magazines and books in your home.

2

Help your child find appropriate word & reading games on the computer.

Keep a dictionary on hand. Help your child look up new words they read or hear.

3

Read mysteries with your child and try to figure out the clues together.

4

Movie version coming out?

Read the book together first, then talk about which you each liked better.

5

Set aside a time and place for your child to read -

like a comfy chair and a reading light in a quiet place

6

Visit your public library regularly.

Look for and read together the books that were your favorites when you were a kid.

7

Encourage your child to write -

letters, thank you notes, emails, journals, lists, stories about their own trips, events, and daily life

8

Ask your child questions about what he or she is reading, such as:

- What is the story about?
- Who are the important characters in the story?
- Where does the story take place?
- Why do you think the character made that choice?
- Why did that happen?
- How did you know about...?
- Would you recommend this book to your friends?

9

Ask your child to draw a comic strip about what happens in the story.

Provide word searches, crossword and other word games and puzzles, or help your child make his/her own

Share with your child about what you're reading... and encourage your child to do the same

Ways a Parent Can Help with **MATH**

1

Look for shapes and patterns in real life

2

Have your child measure ingredients for a recipe you are making

3

Ask your child to explain the math skills he or she is working on in school

4

When helping your child with homework or school assignments, ask him or her to explain how he or she got an answer

5

Help your child find some appropriate number and problem-solving games to play online

6

Play card or board games that involve counting or patterns

7

Ask your child to count change at the grocery store, or to estimate the total cost while you are shopping

8

Compare:

Which is the tallest?
...the heaviest?
...the longest?
...the smallest?
...the fastest?
...the hottest?
...the most expensive?

9

Have tools such as a ruler, a scale, a calculator, and a measuring tape available to use in your house

10

Encourage your child to track or graph scores or stats for a favorite sports team

11

Use dice or playing cards to make a game out of practicing math facts

Point out ways math is part of “real” life: money, computers, music, art, construction, cooking...

All around us, every day.
