GPAC: Gifted Parent Advisory Council
 The SJCS D Gifted Parent Advisory Council (GPAC) is a broad-based district gifted advisory committee representing educators, parents, and stakeholders who meet quarterly to discuss ways to support the gifted program and its students. Through collaborative learning, engagement, and advocacy, the members of GPAC support one another in navigating appropriate academic and affective learning paths for our gifted learners. All parents and/or caregivers of a SJCS D gifted student are encouraged to participate.

Notes from Nurse Roxane

Parents, do you ever wonder if you should keep your child home or send them to school? The District has put our Illness Guidelines to help parents/guardians in deciding when to send or exclude their child from school with an illness. I've attached what is on the SJCS D website as well as the link to: ILLNESS AND PREVENTION

GUIDELINES <https://www.stjohns.k12.fl.us/health/illness/>

The full document is also posted below.

Boys and Girls Club

We have the opportunity to have 40 of our kids (ages 6 - 18) attend the after-school program at the Boys and Girls Club through a grant from The Players Championship Club. This is a great opportunity for our students as this provides after-school care, academic help and enrichment as well as a snack and dinner at no cost to you. Transportation will be provided from Crookshank to the Boys and Girls Club each afternoon. Space is limited and on a first come first served basis.

Please see the flyer below for more details.

Hi,
I'm NED!

Hey KIDS and families!

NED's Mindset Mission Assembly is visiting our school! NED and our students take a journey to find their positive mindset. The show is filled with storytelling, humor, illusions and amazing yo-yo tricks where our kids learn the hidden message in NED's name:

- N**ever give up — understand The Power of YET
- E**ncourage others — spark courage in other people
- D**o your best® — always be learning and growing

Do you want to learn to yo? A yo-yo is both a mindset tool and a tangible reminder of NED's message. While learning to yo, children will make mistakes, try again and improve.

Our school yo-yo sale

Our school received this assembly at no-cost because another school paid-it-forward to us. We want to help pay-it-forward too, and you can help by purchasing a NED-messaged yo-yo.

SALE DATES: 2/17 - 2/24 **TIME:** 8:00 - 8:30

ILLNESS GUIDELINES

Health Services

Deciding when to keep your child home from school can be difficult. When a child is sick and needs to stay at home, parents should contact the school and describe the illness and symptoms. If a medical provider makes a specific diagnosis (such as strep throat, conjunctivitis, chicken pox, etc.), let school staff know.

There are several reasons to keep (exclude) sick children from school:

1. The child does not feel well enough to participate comfortably in usual activities, such as with extreme signs of tiredness or fatigue, unexplained irritability or persistent crying.
2. The child requires more care than the school staff is able to provide without affecting the health and safety of the other children.
3. The illness is on the list of symptoms or illness for which exclusion is recommended.
4. The child is not vaccinated due to medical or religious reasons and there is an outbreak in the school.

The following list gives guidelines and recommendations for exclusion from school due to illness. Children with minor illness need not be excluded unless one or more of the following exists.

ILLNESS OR SYMPTOMS	EXCLUSION IS NECESSARY
Chicken Pox	Yes – Until blisters have dried and crusted (usually 6 days).
Conjunctivitis (pink eye) (pink or red eyes with thick mucous or pus draining from the eye)	Yes – May return 24 hours after treatment begins. If your health provider decides not to treat your child, a note is needed.
Coughing (severe, uncontrolled coughing or wheezing, rapid or difficulty in breathing)	Yes – Medical attention may be necessary. NOTE: Children with asthma may be cared for in school with a written health care plan and authorization for medication/treatment.
Coxsackie Virus (Hand, foot and mouth disease)	No – May attend if able to participate in school activities, unless the child has mouth sores and is drooling.
Diarrhea (frequent, loose or watery stools not caused by diet or medication)	Yes – if child looks or acts ill; diarrhea with vomiting; diarrhea that is not contained in the toilet.
Fever with behavior changes or illness <u>Fever</u> is an elevation of body temperature above normal.	Yes – when fever is elevated above 100.4° and is accompanied by behavior changes or other symptoms of illness, such as fatigue, rash, sore throat, upper respiratory symptoms, vomiting, diarrhea, etc. Must remain at home for at least 24 hours or until all symptoms subside medication free.
Fifth Disease	No – child is no longer contagious once rash illness appears.
Head Lice	Yes – May return after treatment and removal of all live lice and nits from hair.
Hepatitis A	Yes - Until 1 week after onset of illness or jaundice and when able to participate in school activities.
Herpes	Yes – if area is oozing and cannot be covered, e.g.,

	mouth sores. Otherwise, may return to school.
Impetigo/Staph/MRSA	Yes – May return 24 hours after treatment starts. Wound must be covered with dressing taped on all 4 sides.
Body Rash <u>with</u> fever	Yes – Seek medical advice. Any rash that spreads quickly, has open, weeping wounds and/or is not healing should be evaluated. May return to school when medical provider determines that illness is not communicable.
Mild Cold Symptoms (stuffy nose with clear drainage, sneezing, mild cough)	No – May attend if well enough to participate in school activities.
Upper Respiratory Complications - large amount of thick nasal discharge - extreme sleepiness - ear pain - fever (100° or above orally)	Yes – Seek medical advice. May return when symptoms are improved.
Ringworm	Yes – May return after treatment begins. Area should be covered while in school for the first 48 hours of treatment.
Roseola	No – Unless child cannot participate in usual activities and has fever.
Scabies	Yes – May return after treatment is started with note from medical provider.
Strep Throat	Yes – May return after 24 hours of antibiotic treatment and no fever for 24 hours.
Vaccine Preventable Diseases (mumps, measles, whooping cough)	Yes – Until judged not infectious by a medical provider. Report all cases to Health Services Coordinator.
Vomiting (2 or more episodes in the past 24 hrs)	Yes – until vomiting resolves or health care provider determines that cause is not communicable. Note: Observe for other signs of illness and for dehydration.

Dear Parent(s)/Guardian(s),

The Florida Assessment of Student Thinking (FAST) is a progress monitoring tool that will be administered three times per year to track your student's progress in learning the Benchmarks of Excellent Student Thinking (B.E.S.T.) Standards throughout this school year. The purpose of this letter is to inform you that your student will take the Kindergarten/Grade 1/Grade 2 Renaissance Star Early Literacy, Star Reading, and/or Star Math assessment(s) on the dates below. Your student's results from PM2 are for informational purposes only, and your student's school will provide you with information about how to access the results after testing is completed.

FAST assessments are computer-adaptive tests taken on a computer or tablet. The questions get easier or more difficult depending on how the student responds, and each student will see different questions. If you or your student would like to review [Star Early Literacy, Star Reading, and/or Star Math] sample items at home, sample test items are available at <https://flfast.org/resources/renaissance-star/renaissance-star>

The Star Early Literacy assessment typically takes less than 15 minutes to complete. The Star Reading assessment is usually completed in less than 20 minutes, and the Star Math assessment typically takes less than 30 minutes to complete.

FAST assessments are computer-adaptive tests taken on a computer or tablet. The questions get easier or more difficult depending on how the student responds, and each student will see different questions from a common item bank. Each test attempt (PM1, PM2, and PM3) will present 35–40 items that will cover the entire test “blueprint,” meaning students will encounter items representative of the standards within the subject or grade level. For more information on the test design, please visit <https://www.fldoe.org/accountability/assessments/k-12-student-assessment/best/> If you or your student would like to interact with the online testing platform or review FAST Reading and Mathematics sample items at home, sample test materials are available at <https://flfast.org/families.html>
