Thursday	5/25	Last Day of School Early Dismissal 1:45 pm
Friday	5/26	Teacher Planning Day

K-2 Spring Fling

Extended Day is sponsoring a K-2 Spring Fling on Friday May 12th. See the flyer below for more details.

Crookshank Cougar Chorus

The Crookshank Cougar Chorus presents 'Feel the Music: A Journey of Hope and Inspiration' on Thursday May 11th at 6:00 p.m. The Kona Ice truck will be there for a treat as the families leave the performance.

Moana!

The Crookshank Drama Club will be performing "Moana" on Thursday May 18th at 6:00 p.m. Please join us.

Returning Student Verification Online Form

The District has sent out all Returning Student Verification Forms with SNAP CODES to parent's email addresses that we have on file.

If you haven't already done so, please complete your student(s) registration enrollment for the 2023-2024 school year. This process only takes about 10 minutes or less and must be completed to keep your student(s) enrolled in SJCS. Only new upcoming Kindergarten students and 5th graders going to middle school must upload address documentations. Should you be withdrawing for the 2023-2024 school year, please contact our Data Operator, Ms. Lisa Cogar to ensure accuracy with our student enrollment.

PreK Celebration Dates

5/17 - Ms. Deluna and Ms. Allen
5/19 - Ms. Heffernan, Ms. Law and Ms. Mason
5/23 - Mr. Ahr
5/24 - Ms. Moore
Please look for more information from your child's teacher.

Gardening Club

A couple of weeks ago, students from our garden groups harvested and donated collard greens, bok choy, and kale for a local organization called Epic-Cure. Epic-Cure is a charity dedicated to eliminating food waste and ending hunger through coordinated volunteer efforts. Epic-Cure has various food distribution centers located throughout St. Johns County with many of their food banks close to Crookshank. Check out the picture below of our kiddos who helped make the donations and check out their website link to connect with a local food bank! They also have a Facebook page with important information so you can stay connected on social media. If you have any questions or need a list of their locations, feel free to reach out to Bailey Benoit or Colleen LaHatte.

Last Day of School

The last day of school is quickly approaching.
The last day is Thursday May 25th. Dismissal will be at 1:45

MEDICATION PICK UP

As we near the end of the school year, I would like to remind you that your child's medication should be picked up from the clinic by **THURSDAY, MAY 25, 2023**. School policy does not allow for medication to remain in the school over the summer.

It will be important for you to make arrangements to pick up your child's medication since medications may not go home with the student. Any medication left in the clinic after **THURSDAY, MAY 25, 2023**, will be discarded according to policy.

Do not hesitate to reach out to Roxane Smith, RN, BSN/School Health Nurse for any questions or concerns.

Summer Learning Opportunities

Our rising 4th & 5th grade students will have an opportunity to participate in a Summer Science and Writing Camp. There will be a limited number of seats.

Please see the flyer below.

Alphabet Countdown Z to A

Have some fun with us and join our Alphabet Countdown to the last day of school.

Tuesday, 5/23	C	Wear all colors, cat clothing, or a cap
Wed., 5/24	B	Wear black, blue or brown
Thurs., 5/25	A	Wear aqua

Testing Tips for Parents

Preparing a student for a Testing Session - For Parents

1. Make sure your child gets an ample, normal amount of sleep the night before the test
2. Mark testing days on your calendar to help remind you and your child when the testing will take place and plan your preparations.
3. The student should eat a nutritious and filling breakfast. Avoid high sugar cereals which can make the student hyper and/or unfocused.
4. Make sure the student is on time (if not early) on the day of testing
5. Set a backup alarm to avoid the possibility of oversleeping
6. If you child is sick please contact the school immediately to inform them.

Working with Students who are anxious about testing - For Parents

1. Try not to put too much pressure on the student. Reinforce that as long as they worked hard in preparation and did their absolute best you will be proud of them.
2. Have the child visualize success. Encourage them to rehearse what it will feel like to get a good score on the test.
3. Try to use positive language when talking about expectations of the test. Do not overinflate the student's expectations but also try to avoid negative wording (e.g. replace "you are going to fail this test if you don't study" with "if you don't study you aren't going to pass this test.")
4. Plan for a fun outing or treat for your child after the test has been completed.
5. Keep a positive attitude about testing in general around your child and emphasize their ability to demonstrate what they have learned rather than the consequences of not passing.

Summer Camps

Boys and Girls Club

Summer Academy <https://www.bgcncf.org/camps>

See the flyer below for more details.

PAL Summer Camps

Summer sports and cheer camps. See the flyer below for more details.

Summer Camps offered in town.

Crookshank Cougars PTO

Have Fun With Us Next Year!

Have you been wanting to become more involved at CES? Join us on the PTO Board! We serve the school in so many ways, and we have FUN doing it! You don't have to be a stay at home parent- we are working parents who each give a little to make a big difference!

Here are the positions available for next year:

Secretary

Spirit Sales Chairperson

Fundraising Chairperson

Special Events Chairperson

Team up with another person to co-chair any of these positions, too! Reach out to us at

CrookshankPTO@gmail.com if you'd like to join us or nominate someone!

Fill out this Google Form to nominate yourself or someone

else! https://docs.google.com/forms/d/e/1FAIpQLSfKepe3GMTligL_BAGtEJWVoNUWMe2z8O7C6muJFO5M1On_g5O/viewform

Final PTO Meeting of the Year

Our final PTO meeting of the year will be Tuesday, May 16th at 5:30. Join us in person in the CES Media Center, or on Zoom here: <https://us02web.zoom.us/j/87696618406?pwd=NXdhZy9EOkhrWDFEdEwxcGwyMHNvOT09> It's election time, plus! Hear about what we've been able to do for Crookshank this year!

Volunteer!

We have some great plans for the rest of the year to share with you! We have updated our volunteer link, check it out for opportunities to help!

<https://www.signupgenius.com/go/10C0F4AA5A62AAAF5C61-volunteer1>

Teacher Appreciation Week

THANK YOU to everyone who contributed to Teacher and Staff Appreciation Week. We were absolutely blown away by your generosity and thanks to you, we were able to give them a wonderful week. We are so grateful for our Cougar Families!

Smencils!

Smencils are back! On Tuesday and Thursday mornings, they are on sale- one for \$2 and three for \$5.

Lunchroom Help

We are in need of Parent Volunteers to help with lunchroom coverage. If you have an hour (or two) to spare and would like to help out, please sign up!

<https://www.signupgenius.com/go/10c0f4aa5a62aaaf5c61-volunteer1>

Birthday Messages

Celebrate your student's birthday by featuring their name on our scrolling marquee (in the parent pick up line) for an entire week! Sign up at

<https://my.cheddarup.com/c/crookshank-pt0>

We must have your submission by the Tuesday prior to your requested week.

We are looking for BUSINESS PARTNERS to help bring opportunities to our kiddos! Become a BP and your logo will appear here!

John A. Crookshank Elementary

<http://www.ces.stjohns.k12.fl.us>

Dear Parent/Guardian,

The **Florida Assessment of Student Thinking (FAST)** is a progress monitoring system that is administered three times per year to track your student's progress in learning the Benchmarks of Excellent Student Thinking (B.E.S.T.) Standards throughout this school year. The purpose of this letter is to inform you that your student will participate in the third administration (PM3) of the Grades 3rd – 5th Florida Assessment of Student Thinking (FAST) Reading and Mathematics assessments on May 1 – May 16. The results from PM3 will show how well your student has mastered the grade level content standards, and you will be provided with information about how to access the results after testing is completed.

Your student's FAST assessments are computer-adaptive tests taken on a computer or tablet. The questions get less or more difficult depending on how a student responds, and each student will see different questions from a common item bank. Each test attempt (PM1, PM2, and PM3) will present items that cover the entire test "blueprint," meaning students will encounter items representative of the standards within the subject or grade level. For more information on the test design, please visit <https://www.fldoe.org/accountability/assessments/k-12-student-assessment/best/>. If you or your student would like to interact with the online testing platform or review FAST Reading and Mathematics sample items at home, sample test materials are available at <https://flfast.org/families.html>.

5/1 – 3 rd Grade Reading	5/15 – 4 th Grade Reading: Gallagher, Smolek
5/2 – 3 rd Grade Math	5 th Grade Science
5/3 – 5/5 3 rd Grade Make Ups	5/16 – 4 th Grade Math: Gallagher, Smolek
5/8 – 5 th Grade Reading	5 th Grade Science
5/9 – 5 th Grade Math	5/17 – 5/19 Make Ups
5/10 – Make Ups	5/22 – 5/25 Make Ups
5/11 – 4 th Grade Reading: Kennelly, Allen, Zaletel	
5/12 – 4 th Grade Math: Kennelly, Allen, Zaletel	

Please review the following policies with your student before testing:

- **Electronic Devices**—Students are not permitted to have any electronic devices, including, but not limited to, cell phones, smartphones, and smartwatches, at any time during testing **or** during breaks (e.g., restroom), **even if the devices are turned off or students do not use them**. If your student is found with an electronic device or is found using Bluetooth/wireless headphones/earbuds during testing, his or her test will be invalidated.
- **Calculator Policy**—For Grades 7–8 FAST Mathematics assessments, approved handheld scientific calculators may be used. For Grade 6 FAST Mathematics, a handheld four-function calculator may be used.
- **Testing Rules Acknowledgment**—All tests include a Testing Rules Acknowledgment that reads: "I understand the testing rules that were just read to me. If I do not follow these rules, my test score may be invalidated." Prior to testing, test administrators read the rules to students, and students acknowledge that they understand the testing rules by clicking the box in the secure browser indicating they understand the testing rules.

- **Discussing Test Content after Testing**—The last portion of the testing rules read to students before they click the box to accept the Testing Rules Acknowledgment states that because the content of all statewide assessments is secure, students may not discuss or reveal details about the test content (including test items and passages) after the test. This includes any type of electronic communication, such as texting, emailing, or posting to social media sites. Please make sure your student understands this policy prior to testing and remind them that “discussing” test content includes any kind of electronic communication, such as texting, emailing, posting to social media, or sharing online. **While students may not share information about secure test content after testing, this policy is not intended to prevent students from discussing their testing experiences with their parents/families.**
- **Working Independently**—Students are responsible for doing their own work during the test and for protecting their answers from being seen by others. If students are caught cheating during testing, their tests will be invalidated.
- **Leaving Campus**—If your student leaves campus before completing a test (e.g., for lunch, an appointment), he or she **will not** be allowed to return to that test. If your student does not feel well on the day of testing, it may be best for him or her to wait and be tested on a make-up day. Please remember not to schedule appointments on testing days.
- **Testing Accommodations**—If your student has an Individual Education Plan (IEP), a Section 504 Plan, or is an English Language Learner (ELL) or a recently exited ELL, please contact the school to discuss the testing accommodations that will be provided for your student.

If you have any questions related to this test administration, you may contact:

Joelle Johnson – Joelle.Johnson@stjohns.k12.fl.us

Bailey Benoit – Bailey.Benoit@stjohns.k12.fl.us

For more information about the FAST program, please visit the portal at FLFAST.org.

Thank you for supporting your student and encouraging him or her to do his or her best during this test administration.

Sincerely,

Patrick Roach

Dear Parent/Guardian,

The Florida Assessment of Student Thinking (FAST) is a progress monitoring system that is administered three times per year to track your student's progress in learning the Benchmarks of Excellent Student Thinking (B.E.S.T.) Standards throughout this school year. The purpose of this letter is to inform you that your student will take the **Kindergarten, Grade 1, or Grade 2 Renaissance Star Early Literacy, Star Reading, and/or Star Math assessment(s)** on April 17 – April 28. The results from PM3 will show how well your student has mastered the grade level content standards, and you will be provided with information about how to access the results after testing is completed.

Your student's FAST assessments are computer-adaptive tests taken on a computer or tablet. The questions get less or more difficult depending on how a student responds, and each student will see different questions. If you or your student would like to review **Star Early Literacy, Star Reading, and/or Star Math** sample items at home, sample test items are available at <https://flfast.org/resources/renaissance-star/renaissance-star>.

The Star Early Literacy assessment typically takes less than 15 minutes to complete. The Star Reading assessment is usually completed in less than 20 minutes, and the Star Math assessment typically takes less than 30 minutes to complete.

4/17 – 2nd Grade Reading
4/18 – 2nd Grade Math
4/20 – 1st Grade Reading
4/21 – 1st Grade Math
4/24 – Kindergarten Reading: McQuaig, Taylor, Ramirez, Heldenbrand
4/25 – Kindergarten Math: McQuaig, Taylor, Ramirez, Heldenbrand
4/27 – Kindergarten Reading: Dinger, White, Moore
4/28 – Kindergarten Math: Dinger, White, Moore

If you have any questions related to this test administration, you may contact:

Joelle Johnson – Joelle.Johnson@stjohns.k12.fl.us

Bailey Benoit – Bailey.Benoit@stjohns.k12.fl.us

For more information about the Florida Statewide Assessments program, please visit the portal at FLFAST.org.

Thank you for supporting your student and encouraging him or her to do his or her best during this test administration.

Fast Facts About Our Islands

Challenge Island is made up of an archipelago of fun, whimsical, yet fully standard-aligned islands.

Each Island has its own unique cross-curricular theme and features a map and passport.

Every island features its own unique set of thematic destinations. Each destination offers a unique engineering challenge.

During every Challenge Island class or field trip, STEAM Teams visit one of those 100's of destinations and collaboratively tackle the challenge using only a treasure chest of low-tech supplies and their boundless imaginations!

About Challenge Island

Challenge Island is the World's #1 STEAM Program. With 130 locations across the USA and worldwide, we have partnered with 10,000 schools and served 5 million children through our field trips, after school classes and summer programs. Our bestselling STEAM Adventure book series can be found in stores everywhere.

ILLNESS GUIDELINES

Health Services

Deciding when to keep your child home from school can be difficult. When a child is sick and needs to stay at home, parents should contact the school and describe the illness and symptoms. If a medical provider makes a specific diagnosis (such as strep throat, conjunctivitis, chicken pox, etc.), let school staff know.

There are several reasons to keep (exclude) sick children from school:

1. The child does not feel well enough to participate comfortably in usual activities, such as with extreme signs of tiredness or fatigue, unexplained irritability or persistent crying.
2. The child requires more care than the school staff is able to provide without affecting the health and safety of the other children.
3. The illness is on the list of symptoms or illness for which exclusion is recommended.
4. The child is not vaccinated due to medical or religious reasons and there is an outbreak in the school.

The following list gives guidelines and recommendations for exclusion from school due to illness. Children with minor illness need not be excluded unless one or more of the following exists.

ILLNESS OR SYMPTOMS	EXCLUSION IS NECESSARY
Chicken Pox	Yes – Until blisters have dried and crusted (usually 6 days).
Conjunctivitis (pink eye) (pink or red eyes with thick mucous or pus draining from the eye)	Yes – May return 24 hours after treatment begins. If your health provider decides not to treat your child, a note is needed.
Coughing (severe, uncontrolled coughing or wheezing, rapid or difficulty in breathing)	Yes – Medical attention may be necessary. NOTE: Children with asthma may be cared for in school with a written health care plan and authorization for medication/treatment.
Coxsackie Virus (Hand, foot and mouth disease)	No – May attend if able to participate in school activities, unless the child has mouth sores and is drooling.
Diarrhea (frequent, loose or watery stools not caused by diet or medication)	Yes – if child looks or acts ill; diarrhea with vomiting; diarrhea that is not contained in the toilet.
Fever with behavior changes or illness <u>Fever</u> is an elevation of body temperature above normal.	Yes – when fever is elevated above 100.4° and is accompanied by behavior changes or other symptoms of illness, such as fatigue, rash, sore throat, upper respiratory symptoms, vomiting, diarrhea, etc. Must remain at home for at least 24 hours or until all symptoms subside medication free.
Fifth Disease	No – child is no longer contagious once rash illness appears.
Head Lice	Yes – May return after treatment and removal of all live lice and nits from hair.
Hepatitis A	Yes - Until 1 week after onset of illness or jaundice and when able to participate in school activities.
Herpes	Yes – if area is oozing and cannot be covered, e.g.,

	mouth sores. Otherwise, may return to school.
Impetigo/Staph/MRSA	Yes – May return 24 hours after treatment starts. Wound must be covered with dressing taped on all 4 sides.
Body Rash <u>with</u> fever	Yes – Seek medical advice. Any rash that spreads quickly, has open, weeping wounds and/or is not healing should be evaluated. May return to school when medical provider determines that illness is not communicable.
Mild Cold Symptoms (stuffy nose with clear drainage, sneezing, mild cough)	No – May attend if well enough to participate in school activities.
Upper Respiratory Complications - large amount of thick nasal discharge - extreme sleepiness - ear pain - fever (100° or above orally)	Yes – Seek medical advice. May return when symptoms are improved.
Ringworm	Yes – May return after treatment begins. Area should be covered while in school for the first 48 hours of treatment.
Roseola	No – Unless child cannot participate in usual activities and has fever.
Scabies	Yes – May return after treatment is started with note from medical provider.
Strep Throat	Yes – May return after 24 hours of antibiotic treatment and no fever for 24 hours.
Vaccine Preventable Diseases (mumps, measles, whooping cough)	Yes – Until judged not infectious by a medical provider. Report all cases to Health Services Coordinator.
Vomiting (2 or more episodes in the past 24 hrs)	Yes – until vomiting resolves or health care provider determines that cause is not communicable. Note: Observe for other signs of illness and for dehydration.

Handout developed by The Children's Hospital School Health Program, Denver, CO (303) 281-2790, 1995, revised 1999, 2001, and 2003. **Revised 2019, for use by St. Johns County School Health Services, St. Johns County, FL.**

Mission

Our professional learning community at John A. Crookshank Elementary School is dedicated to the development of students' academic, social, and emotional well-being. We will plan purposeful lessons and instruct standards using best practices, so all students are equipped with the growth mindset skills necessary to address and overcome challenges they may face in their future.

Vision

John A. Crookshank Elementary School faculty and staff members believe working together, we all succeed.
