PTO Buddy A Thon Fundraiser

Our first fundraiser of the year is here, and it is a fun one! The Buddy-A-Thon is an amazing program that benefits our school and teaches our kiddos the value of kindness to others- it's a win win! Students who raise more than \$50 will get to pick and build their own buddy. The Bear Factory will be at our school with the stuffing machine in October! Last year our Buddy-A-Thon raised over \$10,000, which went a LONG way to helping our school. Flyers were sent home in Wednesday folders this week. There's a coupon on the back for you to fill out once you have registered your kiddo(s) and emailed/texted ten people with the link to your Buddy-A-Thon page! Register here: <https://www.themegablast.com/join/crookshank> (if you participated last year, use the same login info). Also, see the **Buddy A Thon Flyer** below.

Wellness Navigator

Our new Wellness Navigator, Hilena Coleman will join the CES Family on September 19. As some of you know, this position serves as a facilitator between our school community and local medical, dental and resource services. We look forward to Mrs. Coleman joining the team.

Classroom Libraries: New Florida Law and State Board of Education Rule state that starting July 1, 2023, all books available to students must be reviewed by a certified media specialist. As a result, SJCS D staff is investing time and resources to support the robust classroom libraries that our teachers have built. Our first step in the process is to sort the classroom libraries into two groups, those that are listed in Destiny and those that are not. Destiny is the program we use to inventory and track circulation of library materials. Titles listed in Destiny have already been reviewed and approved by a certified media specialist. Therefore, the books in Destiny will remain in the classroom. Books that are not in Destiny must be stored until they are approved. Approving titles for a school collection is a process guided by SJCS D School Board Rule 4.131 School Library Media Services linked here: <https://www.stjohns.k12.fl.us/board/wp-content/uploads/sites/11/2022/09/4-131.pdf> The effort to add titles will be ongoing. We believe that access to books by elementary students is critical to growing into successful and informed readers. Our elementary students have time in the media center on a regular basis to select books for checkout. Please ask them about their library books and read together often.

CES Student and Parent Handbook: Please see the link for the CES 23-24 Student and Parent PBIS Handbook https://sjschools-my.sharepoint.com/:b:/g/personal/e016892_stjohns_k12_fl_us/Ec-RRFqxvNBNmxELeQ6SrQkBULB7vmYDXR98HjnAY3-Q_w?e=lrHlDe

District Student Code of Conduct:

Please see the link for the SJCS D 23-24 Student Code of Conduct <https://www.stjohns.k12.fl.us/schoolservices/conduct/>

Parent Drop Off and Pick:

Some friendly reminders:

1. Please remain in your vehicle when dropping off and picking up. A CES staff member will assist with your student exiting and entering the vehicle.
2. Remember, the PPU line is a hands-free zone, so help us keep kids safe AND keep the line moving by saving phone calls and texts for later.”
3. Please pull up as much as you can to keep the line moving. Try to avoid large gaps in the line so we can make dismissal run smoothly for our students and staff!”

Student Car Tags: If your student is a returning car rider, please make sure to get a new 23-24 Car Tag. This applies to all new Cougars as well. Our staff will be looking for the new tags when calling students in the afternoon and releasing students to vehicles. If you need a new car rider tag, they can be picked up in the front office. Make sure to have your identification.

Walkers: Just a friendly reminder that the walker gate is for students and parents/guardians who arrive on campus as walkers. The walker gate opens up at 8:00 am in the morning and 3:00pm in the afternoon.

State Testing: 3-5 Letter

Dear Parent/Guardian,

The Florida Assessment of Student Thinking (FAST) is a progress monitoring system that is administered three times per year to track your student's progress in learning the **Benchmarks of Excellent Student Thinking (B.E.S.T.) Standards** throughout this school year. The purpose of this letter is to inform you that your student will participate in the first administration (**PM1**) of the **Grade [3/4/5/Florida Assessment of Student Thinking (FAST) ELA Reading [and Mathematics] assessment[s]**. Your student's results from PM1 are for informational purposes only, and you will be provided with information about how to access the results after testing is completed.

FAST assessments are computer-adaptive tests taken on a computer or tablet. The questions get easier or more difficult depending on how the student responds, and each student will see different questions from a common item bank. Each test attempt (PM1, PM2, and PM3) will present 35–40 items that will cover the entire test “blueprint,” meaning students will encounter items representative of the standards within the subject or grade level. For more information on the test design, please visit <https://www.fldoe.org/accountability/assessments/k-12-student-assessment/best/>. If you or your student would like to interact with the online testing platform or review **FAST ELA Reading [and Mathematics]** sample items at home, sample test materials are available at <https://flfast.org/families.html>.

9/15 – 3rd Math: McVay, Keating, Matthiesen, Simpson

9/18 – 3rd Reading: Coriell, Bikowski

9/19 – 3rd Math: Coriell, Bikowski

Make Up Dates: 9/5, 9/6, 9/13, 9/20, 9/21, 9/22, 9/25, 9/26, 9/27, 9/28, 9/29

Please review the following policies with your student before testing:

- **Electronic Devices**—Students are not permitted to access any electronic devices, including, but not limited to, cell phones, smartphones, and smartwatches, at any time during testing or during breaks (e.g., restroom). If your student is found with an electronic device or is found using Bluetooth/wireless headphones/earbuds during testing, his or her test may be invalidated.
- **Testing Rules Acknowledgment**— All tests include a Testing Rules Acknowledgment that reads: “I understand the testing rules that were just read to me. If I do not follow these rules, my test score may be invalidated.” Prior to testing, test administrators read the rules to students, and students acknowledge that they understand the testing rules by clicking the box in the secure browser indicating they understand the testing rules.
- **Discussing Test Content after Testing**— The last portion of the testing rules read to students before they click the box to accept the Testing Rules Acknowledgment states that because the content of all statewide assessments is secure, students may not discuss or reveal details about the test content (including test items and passages) after the test. This includes any type of electronic communication, such as texting, emailing, or posting to social media sites. Please make sure your student understands this policy prior to testing and remind them that “discussing” test content includes any kind of electronic communication, such as texting, emailing, posting to social media, or sharing online. While students may not share information about secure test content after testing, this policy is not intended to prevent students from discussing their testing experiences with their parents/families.
- **Working Independently**—Students are responsible for doing their own work during the test and for protecting their answers from being seen by others. If students are caught cheating during testing, their tests will be invalidated.
- **Testing Accommodations**—If your student has an Individual Education Plan (IEP), a Section 504 Plan, or is an English Language Learner (ELL) or a recently exited ELL, please contact the school to discuss any testing accommodations that will be provided for your student.
