Dismissal and Checkouts Dismissal changes & Early Checkouts must be completed by 2:00 PM (M, T, TH, F) and by 1:00 PM (W). All changes should be in writing. Please send changes to [CES transportation@stjohns.k12.fl.us](mailto:transportation@stjohns.k12.fl.us)

Walker Drop Off Parents and families, instead of walking up or riding a bike up the bus loop entrance, please use the sidewalks along the playground to arrive at the walker gate. It's a very unsafe mix of walking/biking and buses.

Parent Drop Off and Pick:

Some friendly reminders:

1. Please remain in your vehicle when dropping off and picking up. A CES staff member will assist with your student exiting and entering the vehicle.
2. Remember, the PPU line is a hands-free zone, so help us keep kids safe AND keep the line moving by saving phone calls and texts for later."
3. Please pull up as much as you can to keep the line moving. Try to avoid large gaps in the line so we can make dismissal run smoothly for our students and staff!"

Student Car Tags: If your student is a car rider, please make sure to get a new 23-24 Car Tag. This applies to all returning Cougars as well. Our staff will be looking for the new tags (yellow) and when calling students in the afternoon and releasing students to vehicles. Please keep your tag displayed until you pick your student up. If you need a new car rider tag, they can be picked up in the front office. Make sure to have your identification.

CES Families!

Our first ever **Crookshank Fun Run** is almost here! The run will take place on the front field on the morning of **Friday, April 26, 2024**. Students should come to school in comfortable clothes/shoes for running that day. They will also want to bring their **water bottle** and lots of energy!

We are hoping for this to be our biggest fundraiser of the year; proceeds support important programs and initiatives at CES and directly benefit our students. To make it all happen, we rely on the support of the CES community, staff, and families. Read on for information on how you can help make it a success!

REGISTER!

First, you can register your student by using the QR code on the flier or visiting the link below. Scroll until you see the **"ADD PARTICIPANT"** link (it is very small, blue text, near the bottom of the page). Your student will earn a prize just for registering and can get started on their fundraising journey. While all our Cougars will participate in the run, students must be registered to start fundraising and earn prizes: <https://app.99pledges.com/fund/CESCougars>

GATHER SUPPORT!

Once your student is registered on the **99 PLEDGES** website, you will receive an email with a link that can be shared electronically with those who may be interested in sponsoring your student's run. Students are encouraged to reach out to as many **friends and family** as possible, but please no strangers or door-to-door solicitations. Donations can be a **flat amount or per lap** (max 20 laps) and payments can be made with all major credit cards via the *99 Pledges* website. Outside of standard credit card fees and a very small transaction fee, the site does not charge us a fee for use. When entering payment information, there is an option for you to leave a "tip" for the website administrators, but this is not mandatory; simply select "Other" in the drop-down menu and enter \$0. Alternatively, donors may send in cash or checks (made out to Crookshank PTO). Cash and check donations should be clearly marked with your student's name. This will allow us to enter the donations into the fundraising site manually, so students get credit toward prizes and parties. **Donations will be accepted beginning Friday, April 12th until Wednesday, May 1st.**

Donors can be assured that their contributions will directly benefit CES. Thanks to our **amazing community** and the help of our many **volunteers**, we are able to keep expenses to a minimum. Proceeds from the 2024 Fun Run will be used to support student enrichment and to purchase classroom supplies and technology at CES.

Shout Out Signs (blank cardboard signs) will also be available to purchase and design to let your student know you are cheering for them on race day! Please send in the form attached to the flier along with **\$10** to the school by **Wednesday, April 17th**. All signs will be distributed on **Thursday, April 18th** and need to be returned to the school by **Thursday, April 25th**. These will not count towards their fundraising total.

EARN PRIZES!

Prizes are awarded for meeting donation milestones. Prizes are cumulative; the more money raised; the more prizes awarded. Top fundraising class will also earn **class parties!** Top earning students will earn a special prize, **principal for the day!** Check out the attached *Prize Sheet* for more information.

VOLUNTEER!

While the event is not open to spectators, you can cheer for our Cougars by signing up to volunteer on the day of the event. Families can find the link to our **Sign Up Genius** (<https://www.signupgenius.com/go/10C0F4AA5A62AAAF5C61-48688105-funrun>) page with volunteer opportunities and the run schedule in the 2024 Fun Run school-wide announcement. Volunteers must be approved through School Access.

We hope we can count on your support in making the **2024 Fun Run** an amazing day for our students. If you have any questions about donations, volunteering, or anything else at all, please feel free to email us at CrookshankPTO@gmail.com and we will get right back to you!

Many Thanks,

Dear Parent/Guardian,

The Florida Assessment of Student Thinking (FAST) is a progress monitoring system that is administered three times per year to track your student's progress in learning the Benchmarks for Excellent Student Thinking (B.E.S.T.) Standards throughout this school year. The purpose of this letter is to inform you that your student will take the **Kindergarten/Grade 1/Grade 2 Renaissance Star Early Literacy, Star Reading, and/or Star Math** assessment(s) on the dates below. The results from PM3 will show how well your student has mastered the grade level content standards, and you will be provided with information about how to access the results after testing is completed.

Your student's FAST assessments are computer-adaptive tests taken on a computer or tablet. The questions get less or more difficult depending on how a student responds, and each student will see different questions. If you or your student would like to review Star Early Literacy, Star Reading, and/or Star Math sample items at home, sample test items are available at <https://flfast.org/resources/renaissance-star/renaissance-star>.

The Star Early Literacy assessment typically takes less than 15 minutes to complete. The Star Reading assessment is usually completed in less than 20 minutes, and the Star Math assessment typically takes less than 30 minutes to complete.

Dear Parent/Guardian,

The Florida Assessment of Student Thinking (FAST) is a progress monitoring system that is administered three times per year to track your student's progress in learning the Benchmarks for Excellent Student Thinking (B.E.S.T.) Standards throughout this school year. The purpose of this letter is to inform you that your student will participate in the third administration PM3 of the **Grades 3, 4 & 5 Florida Assessment of Student Thinking (FAST) Reading and Mathematics Assessment[s]**. The results from PM3 will show how well your student has mastered the grade level content standards, and you will be provided with information about how to access the results after testing is completed.

Your student's FAST assessments are computer-adaptive tests taken on a computer or tablet. The questions get less or more difficult depending on how a student responds, and each student will see different questions from a common item bank. Each test attempt (PM1, PM2, and PM3) will present items that cover the entire test "blueprint," meaning students will encounter items representative of the standards within the subject or grade level. For more information on the test design, please visit <https://www.fldoe.org/accountability/assessments/k-12-student-assessment/best/>. If you or your student would like to interact with the online testing platform or review FAST Reading and Mathematics sample items at home, sample test materials are available at <https://flfast.org/families.html>.

Please review the following policies with your student before testing:

* **Electronic Devices**—Students are not permitted to have any electronic devices, including, but not limited to, cell phones, smartphones, and smartwatches, at any time during testing or during breaks (e.g., restroom), even if the devices are turned off or students do not use them. If your student is found with an electronic device or is found using Bluetooth/wireless headphones/earbuds during testing, his or her test will be invalidated.

* **Calculator Policy**—For Grades 7–8 FAST Mathematics assessments, approved handheld scientific calculators may be used. For Grade 6 FAST Mathematics, a handheld four-function calculator may be used.

* **Testing Rules Acknowledgment**—All tests include a Testing Rules Acknowledgment that reads: "I understand the testing rules that were just read to me. If I do not follow these rules, my test score may be invalidated." Prior to testing, test administrators read the rules to students, and students acknowledge that they understand the testing rules by clicking the box in the secure browser indicating they understand the testing rules.

* **Discussing Test Content after Testing**—The last portion of the testing rules read to students before they click the box to accept the Testing Rules Acknowledgment states that because the content of all statewide assessments is secure, students may not discuss or reveal details about the test content (including test items and passages) after the test.

* **Working Independently**—Students are responsible for doing their own work during the test and for protecting their answers from being seen by others. If students are caught cheating during testing, their tests will be invalidated. In addition, the Florida Department of Education (FDOE) employs Caveon Test Security to analyze student test results to detect unusually similar answer patterns. Student tests within a school that are found to have extremely similar answer patterns will be invalidated.

* **Leaving Campus**—If your student leaves campus before completing a test session (e.g., for lunch, an appointment), he or she will not be allowed to return to that test session. PTO Business Partners

Dear Crookshank Parents and Guardians,

We are looking for local businesses to support activities throughout the year at John A. Crookshank Elementary School and welcome the extended school community of parents, grandparents, aunts, uncles, and guardians to help us identify local or national businesses that might be interested in partnering with the school.
