## Running Reminders

**Sign in Procedure Change** In line with a district wide sign in transition, beginning Tuesday, January 16, the following steps will be taken for sign-in and sign-out at schools. The keyboards will be removed, and all activity will be completed through use of an identification card.

**Dismissal and Checkouts** Dismissal changes & Early Checkouts must be completed by 2:00 PM (M, T, TH, F) and by 1:00 PM (W). All changes should be in writing. Please send changes to [CES@stjohns.k12.fl.us](mailto:CES@stjohns.k12.fl.us)

**Walker Drop Off** Parents and families, instead of walking up or riding a bike up the bus loop entrance, please use the sidewalks along the playground to arrive at the walker gate. It's a very unsafe mix of walking/biking and buses.

### **Parent Drop Off and Pick:**

Some friendly reminders:

1. Please remain in your vehicle when dropping off and picking up. A CES staff member will assist with your student exiting and entering the vehicle.
2. Remember, the PPU line is a hands-free zone, so help us keep kids safe AND keep the line moving by saving phone calls and texts for later."
3. Please pull up as much as you can to keep the line moving. Try to avoid large gaps in the line so we can make dismissal run smoothly for our students and staff!"

**Student Car Tags:** If your student is a car rider, please make sure to get a new 23-24 Car Tag. This applies to all returning Cougars as well. Our staff will be looking for the new tags (yellow) and when calling students in the afternoon and releasing students to vehicles. Please keep your tag displayed until you pick your student up. If you need a new car rider tag, they can be picked up in the front office. Make sure to have your identification.

Dear Parent/Guardian,

The Florida Assessment of Student Thinking (FAST) is a progress monitoring system that is administered three times per year to track your student's progress in learning the Benchmarks for Excellent Student Thinking (B.E.S.T.) Standards throughout this school year. The purpose of this letter is to inform you that your student will participate in the third administration PM3 of the **Grades 3, 4 & 5 Florida Assessment of Student Thinking (FAST) Reading and Mathematics Assessment[s]**. The results from PM3 will show how well your student has mastered the grade level content standards, and you will be provided with information about how to access the results after testing is completed.

Your student's FAST assessments are computer-adaptive tests taken on a computer or tablet. The questions get less or more difficult depending on how a student responds, and each student will see different questions from a common item bank. Each test attempt (PM1, PM2, and PM3) will present items that cover the entire test "blueprint," meaning students will encounter items representative of the standards within the subject or grade level. For more information on the test design, please visit <https://www.fldoe.org/accountability/assessments/k-12-student-assessment/best/>. If you or your student would like to interact with the online testing platform or review FAST Reading and Mathematics sample items at home, sample test materials are available at <https://flfast.org/families.html>.

5/1 – **3rd Reading**: McVay, Keating, Matthiesen, Simpson, Bikowski, Coriell

5/2 – **3rd Math**: McVay, Keating, Matthiesen, Simpson, Bikowski, Coriell

5/6 – **5th Reading**: Miller, Acs, Brown, Sarracino, Fernandez

5/7 – **5th Math**: Miller, Acs, Brown, Sarracino, Fernandez

5/13 – **4th Reading**: Kennelly, Skanes, Smolek

5/14 – **4th Math**: Kennelly, Skanes, Smolek

5/16 – **4th Reading**: Allen, Zaletel

5/17 – **4th Math**: Allen, Zaletel

**\*\*Make Up Dates**: 5/3, 5/8, 5/10, 5/15, 5/20, 5/21, 5/22, 5/23, 5/24

Please review the following policies with your student before testing:

\* **Electronic Devices**—Students are not permitted to have any electronic devices, including, but not limited to, cell phones, smartphones, and smartwatches, at any time during testing or during breaks (e.g., restroom), even if the devices are turned off or students do not use them. If your student is found with an electronic device or is found using Bluetooth/wireless headphones/earbuds during testing, his or her test will be invalidated.

\* **Calculator Policy**—For Grades 7–8 FAST Mathematics assessments, approved handheld scientific calculators may be used. For Grade 6 FAST Mathematics, a handheld four-function calculator may be used.

\* **Testing Rules Acknowledgment**—All tests include a Testing Rules Acknowledgment that reads: "I understand the testing rules that were just read to me. If I do not follow these rules, my test score may be invalidated." Prior to testing, test administrators read the rules to students, and students acknowledge that they understand the testing rules by clicking the box in the secure browser indicating they understand the testing rules.

\* **Discussing Test Content after Testing**—The last portion of the testing rules read to students before they click the box to accept the Testing Rules Acknowledgment states that because the content of all statewide assessments is secure, students may not discuss or reveal details about the test content (including test items and passages) after the test.

This includes any type of electronic communication, such as texting, emailing, or posting to social media sites. Please make sure your student understands this policy prior to testing and remind them that “discussing” test content includes any kind of electronic communication, such as texting, emailing, posting to social media, or sharing online. While students may not share information about secure test content after testing, this policy is not intended to prevent students from discussing their testing experiences with their parents/families.

\* **Working Independently**—Students are responsible for doing their own work during the test and for protecting their answers from being seen by others. If students are caught cheating during testing, their tests will be invalidated.

\* **Leaving Campus**—If your student leaves campus before completing a test (e.g., for lunch, an appointment), he or she will not be allowed to return to that test. If your student does not feel well on the day of testing, it may be best for him or her to wait and be tested on a make-up day. Please remember not to schedule appointments on testing days.

\* **Testing Accommodations**—If your student has an Individual Education Plan (IEP), a Section 504 Plan, or is an English Language Learner (ELL) or a recently exited ELL, please contact the school to discuss the testing accommodations that will be provided for your student.

Dear Parent/Guardian,

The purpose of this letter is to inform you that your student will take the computer-based **Grade 5 Statewide Science Assessment** on **Thursday, April 9th**. If you or your student would like to review the computer-based practice test at home, the practice tests and answer keys are available at <https://fsassessments.org/families.html>.

Student tests within a school that are found to have extremely similar answer patterns will be invalidated.
- \* **Leaving Campus**—If your student leaves campus before completing a test session (e.g., for lunch, an appointment), he or she will not be allowed to return to that test session.
