PBIS Rewards App

PBIS Rewards has a Family App that will give you some insight into how your child is doing with respect to our PBIS program. The Family App will run on most smart devices, including smartphones and tablets. You can find it in the iPhone/iPad App Store, Google Play, and the Amazon App Store. Just search for "PBIS Rewards Family."

Once you have installed the app, you will have to confirm your relationship to your student by certifying that you are a parent or guardian. Once you have done this you will be able to see your student's progress with PBIS Rewards.

You can add more than one student to the app, even if they go to different schools, as long as the school is using PBIS Rewards. We encourage you to talk with your student about what they must do to be successful with PBIS Rewards and to encourage them when you see them being successful.

Dear Parent/Guardian,

The Florida Assessment of Student Thinking (FAST) is a progress monitoring system that is administered three times per year to track your student's progress in learning the Benchmarks for Excellent Student Thinking (B.E.S.T.) Standards throughout this school year. The purpose of this letter is to inform you that your student will take the **Kindergarten/Grade 1/Grade 2 Renaissance Star Early Literacy, Star Reading, and/or Star Math** assessment(s) on the dates below. The results from PM3 will show how well your student has mastered the grade level content standards, and you will be provided with information about how to access the results after testing is completed.

Your student's FAST assessments are computer-adaptive tests taken on a computer or tablet. The questions get less or more difficult depending on how a student responds, and each student will see different questions. If you or your student would like to review Star Early Literacy, Star Reading, and/or Star Math sample items at home, sample test items are available at <https://ffast.org/resources/renaissance-star/renaissance-star>.

The Star Early Literacy assessment typically takes less than 15 minutes to complete. The Star Reading assessment is usually completed in less than 20 minutes, and the Star Math assessment typically takes less than 30 minutes to complete.

Hello Crookshank Elementary!

My name is Coach Nate Fudala and I am so happy to offer to you our Backyard Rule After-School Program, where we teach the fundamental skills for Baseball and Softball in a safe, fun, and inclusive atmosphere! Class will be on Tuesdays from 3:00 pm- 4:30 pm located on school property. Registration is open to boys and girls grades K- 5. We provide all bats and balls, so students do not need to bring any gloves, bats, or other equipment of their own. All of our playing materials are soft and safety is our first priority. This class serves as an excellent introduction to the game and is also challenging and skill sharpening for more experienced players. You can find registration and additional information at the link below, or email me at nate@backyardrule.com anytime! PS, if you use the promo code: CSQ2 at checkout it will reduce the 8-week registration fee to half off, which accounts for the 4 remaining weeks of the semester.
